

Terms and conditions

1. These auctions are in real price, proxy bid isn't used, nor reserve price. Ever when you take a bid, this is translated into a real time.
2. No reserve bids and no reserve prices.
3. For bidding, first you must register. After registration, you will receive an e-mail who confirm for bidding in the auctions.
4. Please, read all the terms and conditions, before bidding.
5. When you come back to visit the auction you will be asked to log in before you can bid.
6. If you are outbid during the course of the auction the system will notify you by e-mail that you have been out bidden on that particular item.
7. The auction is fully automated and will become a live auction at the start of the closing. You will be bidding against other people in real-time.
8. When the auction is finished, you will receive automatically an e-mail that will confirm that you are the high bidder and the winner for this item.
9. In one or two days after finishing the auction, you will receive a personal mail to pay the item or the items that won and the total amount, including shipping and postage.
10. Auction specimens are returnable if they are damaged or are not as advertised on the auction.
11. The most important on the mineral auction from Pauli Minerals, is a contract to buy the specimen at the price set by your bid.
12. The bid increments are for the minimum, not for the maximum. You put enter your bid and automatically, it is translated this bid to the web.
